Dear Resident / Business

**Old Hunstanton, North of A149 Old Hunstanton Road – Parking Restrictions
Traffic Regulation Order**

I am writing to inform you that Norfolk County Council is proposing to implement a parking restrictions Traffic Regulation Order (TRO) on various streets north of and including the A149 Old Hunstanton Road, within the parish of Old Hunstanton.

This TRO is proposed following a request by Old Hunstanton Parish Council and is intended to prevent the residential streets being inundated with visitors' parking during the peak tourism season.

The TRO will alleviate seasonal issues which are causing congestion, safety issues and access difficulties. Please find attached our TRO consultation plan showing the proposals.

The Parish Council, in conjunction with the County Council, have developed the proposals over the last 3 years+, undertaking extensive early consultation with local residents and businesses.

During this time the original plans were re-drawn to best accommodate this initial consultation feedback and concerns. These were then advertised on the parish council website during October 2023, and following this a Public Consultation meeting was held on 20 October 2023.

A few minor changes were subsequently made as a result of the 20 October meeting and the latest plan (attached) represents the best seasonal parking scheme solution and best compromise we can produce, following this extensive and collaborative process.

I would be grateful if you could please consider these proposals and return the enclosed reply slip to me by 8th October 2024.

Please, where possible, email these to TOSchemefeedback@norfolk.gov.uk

If I do not hear from you in response, then I will deem that you have no comments to make and are in support of the scheme.

If you have any queries or wish to discuss the scheme further, please do give me a call on 01603 217847.

Kind regards,

Mark Brown

Mark Brown – Engineer (Parking)

If you need this report in large print, audio, Braille, alternative format or in a different language please contact 0344 800 8020 and ask for Sharon Sage or textphone 0344 800 8011 and we will do our best to help.
