REPORTS:

- 4. Chairman's Annual Report:**
 1. Neighbourhood Plan – it was noted that residents were supportive and repeated that Old Hunstanton Parish Council encourages those making planning applications to consult this plan and discuss their application at a Parish Council meeting.
 2. The Traffic Regulation Order for seasonal parking has had no call in from the designated decision, which means that the decision is final. We are now at the implementation phase with Highways currently producing site documents and working with contractors to fix a date which we should be advised of shortly. A letter is to be sent from Highways to all residents and businesses from NCC Highways.
 3. Our next project is a pedestrian crossing in the heart of the village on the A149. Speeding data is being collected and assessed monthly to provide evidence for the project.
 4. The Defibrillator is well maintained, and training took place in January 25 which was well attended.
 5. Permissive paths and nature reserve site have not progressed due to the leaseholder of relevant land not prepared to engage with the Parish Council.
 6. The restoration of the Village Sign has been completed and looking splendid!
 7. The Playground is regularly monitored and maintained.

8. The bus shelter is now being regularly cleaned and maintained.

9. Our finances are in good shape, not least due to our excellent Parish Clerk, Caroline Boyden who expertly and enthusiastically administers, manages and organises all that we do on the Old Hunstanton Parish Council

5. Borough Councillor's Report - None

6. County Councillor's Report: See Appendix 1

7. Parishioners Open forum – nothing to report

The meeting ended at 18.12
